Byske Salmon valley

3 hole days in 3 the spectacular salmon rivers

You might have heard that salmon fishing is tough and hard business, that it is physically demanding and that it deprives the anglers perspective on life's true values. Others say that salmon fishing is the very essence of life. Of course, all of them are right. Come to Byske Laxdal, step right into a world of bright summers nights and personal decay and misery - and you'll discover the kingdom of heaven.

In Swedish Lapland you'll find Skellefteå and three wild and roaring salmon rivers - the intimate Kåge River, the beautiful Åbyälven and the famous Byske River. The jewel in kingdom of salmon is obviously Byske. The name Byske arouses positive feelings and expectations among anglers, because Byske is an exciting and challenging river tailored för flyfishing. But if you explore the salmon valley of Byske for real

”Surely it was as if Creator had a fly fisherman in mind when he decided how the water would run in Byske Laxdal ”

Salmon guides - for your own good

Byske River is unique in many ways, but it is the almost endless possible fishing places puts the greatest character in the river. With over 100 kilometers covered with one single license the area is the biggest in the country. And if you add to the Åby river and Kåge river you'll soon find yourself a little anxious. In other words, it is not difficult to find a seductively beautiful place to fish in salmon valley of Byske, the only problem is which to choose, when to choose it and with what methods they will fish it.

Of course the solution to this delicate problem is called dedicated salmon guides. They give you the opportunity to find those special places at the right time along the river. Discover Laxdal in company with the people who lives in close contact with our salmon rivers.
