

WHITE WATER RAFTING

season 10 of may until 1 of october
2011

Voltage and outdoor experience at the same time!

We offer whitewater rafting in the upper and lower of the Trollrapids in the Vindelälven.

With lengths of about 1100 meters by 8 meters vertical drop belongs to these two streams of the best rapids you can groove in the Västerbotten.

You will be equipped with a warm wetsuit, liquids, life jacket and helmet before we set out in the free and wild Vindelälven. This river is one of the few undeveloped rivers remaining in Sweden & Europe. We will finish the tour with a cup of coffee or tea and a bun.

FACTS:

PRICE: 450 SEK (min 6 persons)

In the price includes:

3 hours on the river starting from Ekorrselse.
Coffee/Tea and a bun.
